Rtn Mok Sin has earlier on replaced a worn out TV and brought back a spoilt TV for repair. PP Albert collected back the Ozoniser for repair.

Many thanks to the Anns & IPP Choy Ying who distributed ang pows to the residents. During this visit, a bi-annual cheque of RM3,000 was presented to the Home. This event could not have been a success without everyone's effort, contributions, support and attendance.

I would like to take this opportunity to wish everyone

万事如意 (Success in everything you do) and
龙年发财 (May the Year of the Dragon brings you prosperity)
