

**COMMUNITY SERVICE PROJECT  
JENJAROM OLD FOLKS HOME VISIT AND CHEQUE PRESENTATION  
17<sup>TH</sup> AUGUST 2003**

**Rotarian in Charge:** Rtn Teh Teck Ang

Thank you to Rtn Teh Teck Ang for a well-organised trip to Jenjarom and fellowship lunch at Carey Island.

Rtn CT Heng and his Ann, Carven were the first to arrive at 9.30 am, well before the scheduled time of 10.30 am. Of course, like most resourceful Rotarians, Rtn Heng took the opportunity to sample the local delights and had a hearty breakfast before the rest of the Rotarians arrived.

The Rotarian and families in **attendance** for the day were:

President Michael Tung and Caylice  
VP Tai Chin Peow and Ivy  
PP Dr. Chew Hon Nam and Lena  
Rtn Sandy Soh  
Rtn Ken Ong  
IPP Albert Lim, Shirley and their two children  
IPP Gary Lim, Rowena and their daughter  
PP VG Chandran  
Rtn Teh Tech Ang  
Rtn CT Heng and Carven  
Rtn Lawrence B. Khoo, Isabel and their son.

Apart from these, we also had the pleasure of the company of 5

**Rotaractors** namely:

Rtc. Siew Peng (Secretary)  
Rtc. Denise Chan Pooi Chu (Club Service Director)  
Rtc. Hah Yan Shan  
Rtc. Yong Lee Lee  
Rtc. Ong Shieh Yin

**Guests:** Tzelin and Alvin Lim

and a **friend** of Rotary (guest of PP Dato' Jasani) Ai Sim.

Proceedings commenced at 11 am with the presentation of the half yearly donation of RM3,000.00 to Mr. Mookan, the caretaker of the home, by President Michael and Community Service Director, Rtn Lawrence. President Michael then presented two other cheques of RM200 each, which he had obtained from Herbal Revival Sdn Bhd and Boh Plantations Sdn Bhd.

The Rotarians in attendance then proceeded to hand over Ang Pows, oranges and other fruit to the residents, with first lady Caylice passing out 22 hampers stacked high with goodies. These 22 hampers, generously donated by President Michael and Caylice were well received by all the residents.

After a little chit-chat and some farewells, we proceeded to the newly opened Day Care Centre, which was just a hop and a skip away across the padang. Many senior Rotarians then reminisced about how the old home used to occupy the site of the new centre and marveled at the progress made.

A little late but very much welcome, PP Gary Lim and family arrived with a Rotaractor in tow. PP Gary explained that he was delayed because he had to go to Kepong to fetch the Rotaractor but those in the know, knew the reason – PP Gary couldn't find the inside of a barn door.

With PP Gary's arrival, the group was complete and it then presented us with an excellent photo opportunity. The professional photographers amongst us then surveyed the angle of the sun, the shadow cast by the building, which way the wind blew etc., etc., and proceeded to organize us mere mortals for a group photo.

With the photo opportunity out of the way, we Rotarians did what we did best – debate. This debate was on where and what to eat. This was actually already decided upon at the community service meeting but we are never ones to waste the opportunity of a good debate. At the end, we agreed to have lunch at the place previously agreed. PP Albert Lim led the way to a restaurant at Pulau Carey, a short 10 minute drive away.

Lunch was ordered, (not to mentioned that we could not take advantage of the special offer they had on beers) and served. Turns were taken to congratulate the President, the Rtn in charge, Rtn Teh, the community service director, Rtn Lawrence and everyone especially, the Rotaractors and Rotarian Annes' were thanked for making the effort.

With our stomachs full, hearts and souls nourished and solid friendship bonding achieved, we said our goodbyes and reflectively, parted company to make our way home. Hopefully PP Gary remembered the route.
