

The Winning Team

Our Club has just completed its biggest project for RY2010/2011, that is the hosting and organizing of the 76th District Conference. I am truly and deeply grateful to the Organizing Chairman PP KH Low, his deputy chairmen PP NG Sim Bee and PP Choo Jee Sam, mentor & advisor PDG Paul Lee, our partner clubs RC Danua Desa and RC Central Damansara; and all the committee members.

I may come across as biased if you hear me say that the conference was a “Great Success!”. So, let me list down some comments by others:-

Quoting DG Kok Beng’s e-mail “Director Yash congratulated us once again on a very well organised great conference. He reassured us that he sincerely meant these remarks and they were not made only in courtesy.”

Quoting PP Siva Ananda from his blog “The recently concluded 76th RI District 3300 Conference at the Shangri-La, Kuala Lumpur was the epitome of efficient organisation and precision. Everything was well planned and executed. Kudos to the organising club – RC Pudu and their partners. I must make special mention of two other clubs, RC Danau Desa for organising a wonderful fellowship night and RC Central Damansara for hosting the wonderful house of friendship. These Rotarians exemplify the very spirit of Rotary service and friendship. We owe them a great debt of gratitude for their tireless efforts on our behalf.....But the RC Pudu deserves an A+ for effort. Great job guys!”

Quoting PP Ananda Piliai “It was definitely a pleasure for me working with all of you, who were so appreciative, detailed and never allowed anything to chance. Where it comes to the Conference itself YOU HAVE ALL DONE WELL! The man hours put in and the sleepless nights to get this organized will only be known by those involved”

Quoting President Engad “It was indeed an honour for RC Central Damansara to be part of the winning team of RC Pudu & Danau Desa..... On behalf of RC Central Damansara, we would like to thank you for giving us the opportunity in making this wonderful ‘different’ conference a success!”

Quoting President Poh Hui “Pats on the back from my fellow presidents and Rotarians, followed by praises like - “one of the best fellowship nights”, “record attendance”, “we had fun”, “well done” - made our hard work worthwhile. We share the praises with our co-organiser friends of RC Pudu and RC Central Damansara.”

Bravo to the Rotary Club of Pudu, The Rotary Club of Central Damansara, The Rotary Club of Danau Desa and their respective committees – a.k.a “The Winnin Team”
