

Email Error

It's wise to remember how easily email can be misused, sometimes unintentionally, with serious consequences.....

Consider the case of the Illinois man who left the snow-filled streets of Chicago for a vacation in Florida. His wife was on a business trip and was planning to meet him there the next day. When he reached his hotel, he decided to send his wife a quick email.

Unfortunately, when typing her address, he missed one letter, and his note was directed instead to an elderly preacher's wife whose husband had passed away only the day before. When the grieving widow checked her email, she took one look at the monitor, let out a piercing scream, and fell to the floor in a dead faint.

At the sound, her family rushed into the room and saw this note on the screen:

“Dearest Wife,

Just got checked in. Everything prepared for your arrival tomorrow.

P.S. Sure is hot down here.....”
